

Esland Bedford School

Performance Data

As an independent special school, the focus of our teaching and learning is preparing students for adulthood and equipping them for life beyond school. However, when they are ready and able, our students take SATs, GCSEs and a host of other qualifications and certificates.

Please be aware that because we are a small school with small cohorts there are occasions when individual students could be identifiable from the publication of performance data. In these circumstances, to protect our students' identities, this data is suppressed.

KS4 (end of secondary school) results 2023-2024

Number of Students entered for GCSE: 0

- Percentage of pupils who achieved a strong pass (grade 5 or above) in English and Maths at the end of key stage 4 = 0%
